

BEFORE THE FISH, WILDLIFE AND PARKS COMMISSION
OF THE STATE OF MONTANA

In the matter of the adoption of a) NOTICE OF ADOPTION OF A
temporary emergency rule closing) TEMPORARY EMERGENCY RULE
Cooney Reservoir in Carbon County)

TO: All Concerned Persons

1. The Department of Fish, Wildlife and Parks (department) has determined the following reasons justify the adoption of a temporary emergency rule:

(a) The Skibstad wildfire is burning near Columbus, Montana.

(b) Fire suppression efforts include several helicopters bucketing water from Cooney Reservoir.

(c) The closure is necessary so helicopter crews can safely operate and maneuver without potential collisions with recreationists on the river. The closure is also necessary so recreationists, including those with limited maneuverability, are not subject to potential collision with large, heavy water buckets suspended from helicopters.

(d) Therefore, as this situation constitutes an imminent peril to public health, safety, and welfare, and this threat cannot be averted or remedied by any other administrative act, the department adopts the following temporary emergency rule. The emergency rule will be sent as a press release to newspapers throughout the state. Also, signs informing the public of the closure will be posted at access points. The rule will be sent to interested parties, and published as a temporary emergency rule in Issue No. 15 of the 2012 Montana Administrative Register.

2. The department will make reasonable accommodations for persons with disabilities who wish to participate in the rulemaking process and need an alternative accessible format of the notice. If you require an accommodation, contact the department no later than 5:00 p.m. on August 31, 2012, to advise us of the nature of the accommodation that you need. Please contact Jessica Snyder, Fish, Wildlife and Parks, 1420 East Sixth Avenue, P.O. Box 200701, Helena, MT 59620-0701; telephone (406) 444-9785; fax (406) 444-7456; or e-mail jesssnyder@mt.gov.

3. The temporary emergency rule is effective July 26, 2012, when this rule notice is filed with the Secretary of State.

4. The text of the temporary emergency rule provides as follows:

RULE I COONEY RESERVOIR TEMPORARY EMERGENCY CLOSURE

(1) Cooney Reservoir is located in Carbon County.

(2) Cooney Reservoir is closed to all public occupation and recreation including, but not limited to, floating, swimming, wading, and boating.

(3) This rule is effective as long as the reservoir is needed as a source of water for fire suppression efforts.

5. The rationale for the temporary emergency rule is as set forth in paragraph 1.

6. This rule is in effect as long as the reservoir is needed as a source of water for fire suppression and the department determines Cooney Reservoir is again safe for occupation and recreation. This will depend on the extent and duration of the fire in the area. Posted signs regarding the emergency closure will be removed when the rule is no longer effective. Notice of repeal of this emergency rule will be published in the Montana Administrative Register.

7. Concerned persons are encouraged to submit their comments to the department. They should submit their comments along with their names and addresses to Roger Semler, Department of Fish, Wildlife and Parks, PO Box 200701, Helena, MT 59620-0701; fax (406) 444-4952; or e-mail rsemler@mt.gov.
