Lewis and Clark County	)	

TO: All Concerned Persons

1. The Department of Fish, Wildlife and Parks (department) has determined the following reasons justify the adoption of a temporary emergency rule closing Holter Lake from the point of Log Gulch Campground to Holter Dam in Lewis and Clark County:

(a) The Harris Mountain wildfire is burning near Cascade, Montana.

(b) Fire suppression efforts include super scooper planes obtaining water from Holter Lake from Log Gulch Campground to Holter Dam, commonly referred to as Lower Holter Lake.

(c) The closure is necessary so airplane crews can safely operate and maneuver without potential collisions with recreationists on the lake.

(d) Therefore, as this situation constitutes an imminent peril to public health, safety, and welfare, and this threat cannot be averted or remedied by any other administrative act, the department adopts the following temporary emergency rule. The emergency rule will be sent as a press release to newspapers throughout the state. Also, signs informing the public of the closure will be posted at access points. The rule will be sent to interested parties and published as a temporary emergency rule in Issue No. 16 of the 2021 Montana Administrative Register.

2. The department will make reasonable accommodations for persons with disabilities who wish to participate in the rulemaking process and need an alternative accessible format of the notice. If you require an accommodation, contact the department no later than 5:00 p.m. on September 15, 2021, to advise us of the nature of the accommodation that you need. Please contact Jessica Snyder, Fish, Wildlife and Parks, 1420 East Sixth Avenue, P.O. Box 200701, Helena, MT 59620-0701; telephone (406) 444-9785; or e-mail [jesssnyder@mt.gov](mailto:jesssnyder@mt.gov).

3. The temporary emergency rule is effective August 4, 2021, when this rule notice is filed with the Secretary of State.

4. The text of the temporary emergency rule provides as follows:

RULE I HOLTER LAKE TEMPORARY EMERGENCY CLOSURE (1) Holter Lake is located in Lewis and Clark County.

(2) Holter Lake is closed from Log Gulch Campground to the Holter Dam to all public occupation and recreation including, but not limited to, floating, swimming, wading, and boating.

(3) This rule is effective as long as the lake is needed as a source of water for fire suppression efforts. This will depend on the extent and duration of the fire in the area. Posted signs regarding the emergency closure will be removed when the rule is no longer effective.
