emergency rule closing Clark's) EMERGENCY RULE
Lookout State Park in Beaverhead)
County)

TO: All Concerned Persons

1. The Department of Fish, Wildlife and Parks (department) has determined the following reasons justify the adoption of an emergency rule closing Clark's Lookout State Park (park):

(a) A large cottonwood tree has blown over and is leaning onto the latrine, posing a threat to persons entering and parking in the park due to the instability of the tree until it is removed.

(b) Therefore, as this situation constitutes an imminent peril to public health, safety, and welfare, and this threat cannot be averted or remedied by any other administrative act, the department adopts the following emergency rule. The emergency rule will be sent as a press release to newspapers throughout the state. Also, signs informing the public of the closure will be posted at access points. The rule will be sent to interested parties, and published as an emergency rule in Issue No. 20 of the 2020 Montana Administrative Register.

2. The department will make reasonable accommodations for persons with disabilities who wish to participate in the rulemaking process and need an alternative accessible format of the notice. If you require an accommodation, contact the department no later than 5:00 p.m. on November 20, 2020, to advise us of the nature of the accommodation that you need. 3. The emergency rule is effective October 15, 2020, when this rule notice is filed with the Secretary of State.

4. The text of the emergency rule provides as follows:

NEW RULE I CLARK'S LOOKOUT STATE PARK EMERGENCY CLOSURE

(1) Clark's Lookout State Park is located in Beaverhead County.

(2) Clark's Lookout State Park is closed to all public occupation and recreation.

(3) This rule will expire as soon as the department determines Clark's Lookout State Park is again safe for occupation and recreation. Signs restricting use of the Clark's Lookout State Park will be removed when the rule is no longer effective.
