2022 Primary and General Information for Candidates

Montana Secretary of State

sosmt.gov • soselections@mt.gov

Filing for Office:

Per [13-10-201](#) MCA, in a partisan election, an individual may not file a Declaration for Nomination or a Declaration of Intent for more than one political party. A candidate may not file for more than one public office. The restriction on filing for multiple offices does not include precinct committee candidates, if applicable, and certain local offices per [7-1-205](#) MCA. Individuals cannot file for a nonpartisan office as an independent candidate or a political party candidate.

Filing Fees:

Under [13-10-202](#), MCA:

- (1) for offices having an annual salary of \$2,500 or less and candidates for the legislature, \$15;
- (2) for county offices having an annual salary of more than \$2,500, 0.5% of the total annual salary;
- (3) for president in a presidential preference primary, an amount equivalent to the filing fee required for a United States senate candidate, \$1740;
- (4) for other offices having an annual salary of more than \$2,500, 1% of the total annual salary;
- (5) for offices in which compensation is paid in fees, \$10;
- (6) for officers of political parties, presidential electors and officers who receive no salary or fees, no filing fee is required.

Term Limits:

For information on term limits, visit sosmt.gov/Elections/Term_Limits.

Write-In Candidates:

Pursuant to [13-15-206](#), MCA, a write-in vote may only be counted if the oval, box, or other designated voting area on the ballot is marked.

For a primary election, declared write-in candidates for partisan offices file as party candidates; for a general election write-in candidate do not file with a partisan, nonpartisan or independent designation.

Under [13-10-211](#), MCA, if there are declared candidates for a position, a write-in candidate running for an office must file a Declaration of Intent and pay the filing fee at the time of filing, in order for the candidate's write-in votes to be counted. However, if an election is held and a write-in candidate is qualified for and seeks the office for which the candidate is written in, and **no candidate has filed for the office** (including any declared write-in candidate), an individual does not have to file a Declaration of Intent for the write-in votes to be counted.

Under [13-10-204](#), MCA, in order to **accept a primary nomination**, a write-in nominee must file a written Declaration of Acceptance; have received at least 5% of the total votes cast for the successful candidate for the same office at the last general election; comply with [13-37-126](#), MCA; and have paid the filing fee at the time of filing, unless claiming indigency under [13-10-203](#), MCA, or if exempt from filing under [13-10-211\(7\)](#), MCA (in which case the candidate shall pay the filing fee at the time of accepting the primary nomination).

Under [13-15-111](#), MCA, a write-in candidate who receives the most votes in a general election must file a written Declaration of Acceptance; comply with the provisions of [13-37-225](#), MCA; and pay the filing fee if not already required to have paid it at the time of filing, or if claiming indigency comply with [13-10-203](#), MCA.

Campaign Finance – Commissioner of Political Practices:

All candidates, except for some school election candidates, must file a Statement of Candidate Form with the Commissioner of Political Practices. A candidate must file a State of Candidate Form within five days once one of these events occur: the candidate files for office, appoints a treasurer, receives contributions or spends money for the campaign, or has updates to any of their original Statement of Candidate information. The form can be found at <https://politicalpractices.mt.gov/Home/Forms>.
