### ◆ Signature Requirements ([13-10-606](#), (2)&(3) MCA)

- The number of signatures required for political party ballot access is **5,000**, which must include the registered voters in at least one-third of the House districts equal to 5% or more of the total votes cast for the successful candidate for governor at the last general election in those districts or 150 electors in those districts, whichever is less. Because of 2023 legislative redistricting, the required number of signatures in each district is set at 150.
- There is **no earliest date to gather** political party qualification petition signatures. However, **the earliest to submit** signed political party qualification petitions to county election administrators is 9 months (June 1, 2023) before the filing date with the secretary of state, as above, of March 1, 2024. (Also, candidate declaration forms cannot be filed with the appropriate filing officer before **January 11, 2024**, or the date by which the party is qualified, whichever is later.)

### ◆ Other Information

- A current list of qualified political parties is at [sosmt.gov/Elections/Parties](http://sosmt.gov/Elections/Parties).
- If the party qualifies for ballot access, the deadline by which party candidates must file their filing form with the required filing fee is **March 11, 2024**. ([13-10-201](#), MCA.)
- A candidate who files as an [indigent](#) candidate is not required to pay the filing fee, but must file petition signatures. See [Filing Information and Petition Signature Requirements for indigent candidate requirements](#).
- Under [13-10-602](#), MCA, a political party and its regularly nominated candidates, members, and officers have the sole and exclusive right to the use of the party name. A candidate for office may not use any word of the name of any other political party or organization other than that by which the candidate is nominated in a manner that indicates or implies the individual is a candidate of the non-nominating party.
