

BEFORE THE DEPARTMENT OF FISH, WILDLIFE AND PARKS  
OF THE STATE OF MONTANA

In the matter of the adoption of an ) NOTICE OF ADOPTION OF AN  
emergency rule closing the Stillwater ) EMERGENCY RULE  
River in Stillwater County )

TO: All Concerned Persons

1. The Department of Fish, Wildlife and Parks (department) has determined the following reasons justify the adoption of an emergency rule:

(a) A pipeline exposed in the Stillwater River is impeding persons floating on the river. Persons recreating on the river are required to exit their watercraft to negotiate around the pipeline into fast moving waters and a strainer.

(b) Persons recreating on the river are at risk of injury or drowning due to the pipeline obstruction and downstream strainer.

(c) Therefore, as this situation constitutes an imminent peril to public health, safety, and welfare, and this threat cannot be averted or remedied by any other administrative act, the department adopts the following emergency rule. The emergency rule will be sent as a press release to newspapers throughout the state. Also, signs informing the public of the closure will be posted at access points. The rule will be sent to interested parties and published as an emergency rule in Issue No. 16 of the 2022 Montana Administrative Register.

2. The department will make reasonable accommodations for persons with disabilities who wish to participate in the rulemaking process and need an alternative accessible format of the notice. If you require an accommodation, contact the department no later than 5:00 p.m. on September 9, 2022, to advise us of the nature of the accommodation that you need. Please contact Jessica Snyder, Fish, Wildlife and Parks, 1420 East Sixth Avenue, P.O. Box 200701, Helena, MT 59620-0701; telephone (406) 444-4594; or e-mail JessSnyder@mt.gov.

3. The emergency rule is effective August 8, 2022, when this rule notice is filed with the Secretary of State.

4. The text of the emergency rule provides as follows:

NEW RULE I STILLWATER RIVER IN STILLWATER COUNTY  
EMERGENCY CLOSURE (1) A portion of the Stillwater River is in Stillwater County.

(2) The Stillwater River is closed to floating and boating from the Absaroka Fishing Access Site to the confluence of Rosebud Creek.

(3) Fishing from the shoreline is not restricted by this rule.

(4) This rule will expire as soon as the department determines the river is again safe for occupation and recreation. This will depend on the duration of the pipeline remaining in the river. Signs closing the river will be removed when the rule is no longer effective.
