## Write-In Candidates:

**All write-in candidates are required to fill out a Declaration of Intent.** A write-in candidate running for an office must file a Declaration of Intent and pay the filing fee at the time of filing in order for the candidate's write-in votes to be counted. For a **primary** election, declared write-in candidates for partisan offices file as party candidates; for a **general** election write-in candidate do not file with a partisan, nonpartisan or independent designation.

Pursuant to [13-15-206](#), MCA, a write-in vote may only be counted if the oval, box, or other designated voting area on the ballot is marked.

Under [13-10-204](#), MCA, in order to **accept a primary nomination**, a write-in nominee must file a written Declaration of Acceptance; have received at least 5% of the total votes cast for the successful candidate for the same office at the last general election; comply with [13-37-126](#), MCA. Under [13-15-111](#), MCA, a write-in candidate who receives the most votes in a general election must file a written Declaration of Acceptance; comply with the provisions of [13-37-225](#), MCA.

**Campaign Finance – Commissioner of Political Practices:**

All candidates, except for some school election candidates, must file a Statement of Candidate Form with the Commissioner of Political Practices. A candidate must file a State of Candidate Form within five days once one of these events occur: the candidate files for office, appoints a treasurer, receives contributions or spends money for the campaign, or has updates to any of their original Statement of Candidate information. The form can be found at <https://politicalpractices.mt.gov/Home/Forms>.
