

COREY STAPLETON

SECRETARY OF STATE

STATE OF MONTANA

Mission

The mission of the Office of the Secretary of State is to help commerce thrive, promote democracy, and to record history for future generations.

The goals and objectives are as follows:

Create Employee Engagement

- All employees are unified in a healthy work culture

Impact Through Outreach

- We grow existing relationships and establish new ones

Inform and Educate

- Ensure that customers and employees are informed and educated about SOS relevant work

Ensure Continuous Improvement

- We nurture a culture of learning, encouraging new ideas and innovations and valuing process improvements

Build Meaningful Influence

- We lead, model, and promote excellence for businesses, government services and other states
