

COREY STAPLETON

SECRETARY OF STATE

STATE OF MONTANA

Mission

The mission of the Office of the Secretary of State is to help commerce thrive, promote democracy, and to record history for future generations.

The goals and objectives are as follows:

Create Employee Engagement

- Create a culture for employees to reach their fullest potential.

Impact Through Outreach

- Grow meaningful partnerships and relationships across Montana.

Inform and Educate

- Be the chosen resource and partner to businesses, citizens, and government.

Ensure Continuous Improvement

- Create a culture of learning and encouraging new ideas and innovations

Build Meaningful Influence

- Operational model for all businesses and government services.
