COREY STAPLETON

SECRETARY OF STATE

STATE OF MONTANA

Dear Montana Voter,

Welcome to the 2020 Voter Information Pamphlet! As a citizen of Montana and the United States of America, voting is one of your most important rights and fundamental responsibilities. I hope this guide will better inform you of the ballot measures you will see on your ballot for the upcoming November 3, 2020 general election.

This pamphlet includes the exact language for several ballot measures and provides arguments both for and against each issue. You'll be able to study these ballot choices and weigh the opinions of both supporters and opponents. Please take some time and enjoy your role in deciding Montana's future!

On the cover of this year's Voter Information Pamphlet is artwork from the cover of the November 4, 1944 edition of *The Saturday Evening Post*, featuring Norman Rockwell's artwork "America at the Polls." At that time, World War II was raging, and hundreds of thousands of Americans had lost their lives. Those were tough times—just like now, living through a pandemic called COVID-19.

Tough times don't last, but tough people do. As for Montana's system of conducting elections, I am confident that we will continue to run fair and secure elections, with excellent voter participation!

Blessings on you and your family,

Corey Stapleton, Montana Secretary of State

The mission of the Office of the Secretary of State is to promote democracy, help commerce thrive, and record history for future generations.

CONSTITUTIONAL AMENDMENT NO. 46

AN AMENDMENT TO THE CONSTITUTION PROPOSED BY THE LEGISLATURE

AN ACT SUBMITTING TO THE QUALIFIED ELECTORS OF MONTANA AN AMENDMENT TO ARTICLE XIV, SECTION 9, OF THE MONTANA CONSTITUTION TO REVISE THE METHOD OF QUALIFYING A CONSTITUTIONAL AMENDMENT BY INITIATIVE FOR THE BALLOT; AND PROVIDING AN EFFECTIVE DATE.

The 2019 Legislature submitted this constitutional amendment for a vote. C-46 modifies the state constitution to specify proposed petitions for constitutional amendments from the people must be signed by at least ten percent of the qualified electors in two-fifths of the legislative districts. It repeals a different standard found to be unconstitutional in 2005.

☐ YES on Constitutional Amendment C-46

☐ NO on Constitutional Amendment C-46

THE COMPLETE TEXT OF HOUSE BILL NO. 244, REFERRED BY C-46

AN ACT SUBMITTING TO THE QUALIFIED ELECTORS OF MONTANA AN AMENDMENT TO ARTICLE XIV, SECTION 9, OF THE MONTANA CONSTITUTION TO REVISE THE METHOD OF QUALIFYING A CONSTITUTIONAL AMENDMENT BY INITIATIVE FOR THE BALLOT; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, voters at the November 5, 2002, general election approved amendments to this article changing signature requirements for constitutional amendments by initiative petitions from "at least ten percent of the qualified electors in each of two-fifths of the legislative districts" to "at least ten percent of the qualified electors in each of at least one-half of the counties"; and

WHEREAS, in 2005 in *Montana Public Interest Research Group v. Johnson*, 361 F. Supp. 2d 1222 (D.C. Mont. 2005), the federal District Court declared that the newly approved county signature distribution requirements for petitions for constitutional amendments by initiative violated the Equal Protection Clause of the 14th Amendment to the United States Constitution because they allocated equal power to counties of unequal populations; and

WHEREAS, the federal District Court permanently enjoined Montana from enforcing the county distribution requirements; and

WHEREAS, subsequently, the Attorney General of Montana issued an opinion, 51 A.G. Op. 2 (2005), holding that the judicial decision restored the original legislative district distribution requirements as they existed before the approval of the invalid amendments; and

WHEREAS, the court's decision and the Attorney General's opinion did not alter the official, printed text of Article XIV, section 9, as amended, but they did affect the meaning and interpretation of that section; and

WHEREAS, the current official text of the Montana Constitution is confusing and inaccurate and does not reflect the current state of the law to qualify an initiative for a constitutional amendment for the ballot; and

WHEREAS, the Montana Constitution's text should accurately reflect how an initiative for a constitutional amendment may qualify for the ballot; and

WHEREAS, this amendment will ensure public transparency by conforming the official text of the Montana Constitution with current constitutional amendment initiative petition signature requirements.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

Section 1. Article XIV, section 9, of The Constitution of the State of Montana is amended to read:

"Section 9. Amendment by initiative. (1) The people may also propose constitutional amendments by initiative. Petitions including the full text of the proposed amendment shall be signed by at least ten percent of the qualified electors of the state. That number shall include at least ten percent of the qualified electors in each of ~~at least one-half of the counties~~ two-fifths of the legislative districts.

(2) The petitions shall be filed with the secretary of state. If the petitions are found to have been signed by the required number of electors, the secretary of state shall cause the amendment to be published as provided by law twice each month for two months previous to the next regular state-wide election.

(3) At that election, the proposed amendment shall be submitted to the qualified electors for approval or rejection. If approved by a majority voting thereon, it shall become a part of the constitution effective the first day of July following its approval, unless the amendment provides otherwise."

Section 2. Two-thirds vote required. Because [section 1] is a legislative proposal to amend the constitution, Article XIV, section 8, of the Montana constitution requires an affirmative roll call vote of two-thirds of all the members of the legislature, whether one or more bodies, for passage.

Section 3. Effective date. [This act] is effective upon approval by the electorate.

Section 4. Submission to electorate. [This act] shall be submitted to the qualified electors of Montana at the general election to be held in November 2020 by printing on the ballot the full title of [this act] and the following:

- ☐ YES on Constitutional Amendment C-46
- ☐ NO on Constitutional Amendment C-46

ARGUMENT FOR CONSTITUTIONAL AMENDMENT No. 46 (C-46)

CONSTITUTIONAL AMENDMENT 46 - PROPONENT ARGUMENT

CONSTITUTIONAL AMENDMENT 47 - PROPONENT ARGUMENT

Constitutional Amendments 46 and 47 are simple, clean-up efforts to remove language that was struck down by Montana's courts 15 year ago. These amendments provide no substantive changes to our constitution but will ensure that when people read it - they get accurate information.

In 2002, voters approved constitutional amendment 37 and 38, which attempted to change the steps in how Montanans can collect signatures and place ballot initiatives before voters. The largest proposed change to the process was changing the units to qualify from legislative districts to counties. The amendments were quickly found to be unconstitutional by a U.S. District Court on equal protection grounds and we reverted to the previous way we had been qualifying initiatives for generations. Without a vote of the people, however, inaccurate information will remain in the constitution to confuse Montanans.

In 2019, the Montana Legislature came together in a broad, bipartisan effort to fix this oversight and ensure that everyone who reads Montana's incredible constitution gets accurate information. It is important to all of us that our constitution be a resource and learning tool for all Montanans. When people want to put an initiative before the people they should not be getting inaccurate information from our constitution and correct information from a government agency. When our kids learn about Montana's Constitution in their classroom they should learn how the process actually works, not old incorrect language that we just did not bother to change.

Constitutional Amendments 46 and 47 are not an effort to adopt policy or change anything about how the constitution affects the lives of Montanans today. These good government amendments simply attempt to clean up obsolete language and give our neighbors a constitution that says what it means and means what it says.

Vote YES for Constitutional Amendments 46 and 47.

BALLOT LANGUAGE FOR CONSTITUTIONAL INITIATIVE NO. 118 (CI-118)

CONSTITUTIONAL INITIATIVE NO. 118

A CONSTITUTIONAL AMENDMENT PROPOSED BY INITIATIVE PETITION

Under the Montana Constitution, a person 18 years of age or older is an adult, except that the legislature or the people by initiative may establish the legal age of purchasing, consuming, or possessing alcoholic beverages. CI-118 amends the Montana Constitution to allow the legislature or the people by initiative to establish the legal age for purchasing, consuming, or possessing marijuana.

☐ YES on Constitutional Initiative CI-118

☐ NO on Constitutional Initiative CI-118

THE COMPLETE TEXT OF CONSTITUTIONAL INITIATIVE NO. 118 (CI-118)

Section 1. Article II, section 14, of the Montana Constitution is amended to read:

“Section 14. Adult Rights.

A person 18 years of age or older is an adult for all purposes, except that the legislature or the people by initiative may establish the legal age for purchasing, consuming, or possessing alcoholic beverages and marijuana.”

ARGUMENT FOR CONSTITUTIONAL INITIATIVE NO. 118 (CI-118)

Constitutional Initiative 118 (CI-118) will allow Montana to establish a 21 year age restriction for access to marijuana in the same manner as Montana establishes a 21 year age restriction for access to alcohol.

CI-118 is necessary because Montana voters will also vote on Initiative 190 (I-190). I-190 creates a system to legalize, control, regulate, and tax marijuana and restricts the purchasing, consuming or possessing of marijuana to people age 21 or older. CI-118, if enacted, will provide constitutional authority for Montana to establish an age limit of 21 thereby ensuring that the age restriction set forth in I-190 is upheld and enforced.

Montana law sets the age of 21 as the legal age for purchasing, consuming or possessing alcohol. The Montana Constitution states that a person 18 years or older is an adult for all purposes, except that there may be a different legal age established for consuming alcohol. CI-118 will add only two words “and marijuana” to the existing text of Article II, Section 14 so that age restrictions may be placed on marijuana as they are for alcohol. If CI-118 is enacted, Article II, Section 14 would read:

A person 18 years of age or older is an adult for all purposes, except that the legislature or the people by initiative may establish the legal age for purchasing, consuming, or possessing alcoholic beverages and marijuana.

CI-118, if approved, would allow the purchase, consumption and possession of marijuana to be restricted to persons 21 years of age or older, the same age restriction that is currently applied in Montana to alcohol. Simply put, an 18-year-old in Montana is afforded full adult rights by our constitution, except for alcohol consumption where he or she must wait until age 21. This same exception would apply to marijuana consumption if CI-118 is approved by Montana voters.

CI-118 is a common-sense public policy reform that should be approved by Montana voters.

ARGUMENT AGAINST CONSTITUTIONAL INITIATIVE NO. 118 (CI-118)

Marijuana is a dangerous drug. Marijuana and heroin are “Schedule1” drugs, while cocaine and crystal meth are “Schedule2” drugs. “Schedule1” drugs are defined as ***drugs with no accepted medical use and a high potential for abuse*** (<https://www.dea.gov/drug-scheduling>). Legalization of marijuana in Montana is illegal under federal law, Title 21, Section 811 of the United States Code (U.S.C.). If this dangerous “Schedule1” drug is legalized it will have numerous damaging effects on Montana’s citizens, economy, public safety, and overall welfare, with the most devastating being the impact on Montana’s children. Legalizing marijuana will send a message to Montana's youth that drug use is acceptable; that it’s fine to break federal law. Acceptable use will lead to increased use. Montana cannot afford these consequences.

THE YOUTHFUL BRAIN AND BODY

Research proves that during the youthful years (ages 14-25), the human brain is vulnerable because it’s under construction. During neurodevelopment, the youthful brain is very sensitive to damage from drugs. Researchers stress that the impact on the adolescent or young adult brain isn’t benign. In fact, studies have shown that marijuana changes their brains and negatively affects their health and well-being, including school performance, educational attainment, friendships, and future employment and income.

Marijuana also causes respiratory issues, increased chance of mouth, throat and lung cancer, and the development of Cannabinoid Hyperemesis Syndrome (characterized by cycles of severe nausea, vomiting, and dehydration that may require emergency medical attention).

YOUTHS IN SCHOOL

Narratives from teachers indicate more youth who appear “high” in Montana’s schools since the legalization of medical marijuana. Unlike alcohol, the “high” student doesn’t present as disruptive, but instead as unmotivated and unengaged. Also unlike alcohol, there’s no immediate test like a breathalyzer to determine use. Teachers and other students can only suspect. Schools are then criticized as “knowing that students are using and not doing anything about it.” Legalizing marijuana will worsen this scenario.

YOUTH ACCESS

51% of Montana’s 2019 twelfth graders reported using marijuana on the Youth Risk Behavior Survey. 51% had illegal access to marijuana. The legalization of marijuana will increase access. Marijuana dispensaries in our communities will make marijuana more available to youth. Law enforcement entities already struggle to limit youth access to alcohol dispensaries (bars, stores, restaurants, homes, etc.). As marijuana has a more negative impact on a teenager’s cognitive development than alcohol, Montanans should expect law enforcement efforts in limiting non-adults to marijuana to be robust. This will cost resources.

YOUTH AS FUTURE CUSTOMERS

Adolescents and young adults represent future customers to the marijuana industry. As we’ve seen with tobacco, advertising and marketing of kid-like products will likely be a strategy to entice young adults to use their products.

PROTECT OUR YOUTH

Montanans value and cherish our children. Youth already face a world full of challenges and obstacles far beyond those of older generations. Adding additional vulnerabilities propagated by recreational marijuana exacerbates those challenges. Our personal and collective resources are too limited and valuable to pad the pockets of this new and detrimental marijuana enterprise.

PROPONENTS REBUTTAL OF ARGUMENT AGAINST CI – 118

CI-118, if approved by voters, modifies Montana's Constitution to allow legal access to marijuana to be restricted to persons age 21 or older, should legal access to marijuana be allowed in Montana.

The opposition argument completely fails to understand the purpose of CI-118. CI-118 works solely as an age limitation law. For example, I-190 restricts access to marijuana by minors under the age of 21. CI—118 will authorize that provision in I-190. CI-118 would likewise authorize any similar marijuana access age restriction by future laws.

Youth marijuana use did not increase in other states that have legalized marijuana use for adults age 21 or older. Montanans are well served by CI-118 because it modifies the Constitution to ensure that if I-190 is enacted, the 21-year age limit is unchallengeable and the law of the land.

CI-118 is a prudent and conservative legal change. CI-118 should be approved.

Approval Committee for CI – 118: Hillary P. Carls, Dave Lewis, Jon Motl

OPPONENTS REBUTTAL OF ARGUMENT FOR CI – 118

The human brain at age 21 and until age 25 is still developing and is very sensitive to damage from drugs including marijuana. This alone should encourage you to vote NO on CI-118. but additionally, it is our opinion there is NO good age for recreational marijuana use. National scientific medical research has proven that under the influence of marijuana, adolescent minds develop not only more drug dependence, but also greater psychosis [particularly schizophrenia], poorer memories, lower academic learning, reduced IQ, less emotional control, more anger, fewer social skills, and grow into less satisfactory life styles.

Clinical studies reveal that marijuana is addictive. This was confirmed in 2013 when the latest edition of the Diagnostic and Statistical Manual of **Mental Disorders** (DSM-5) was published. The manual recognized cannabis withdrawal syndrome as a bona fide disorder. Marijuana withdrawal symptoms include nervousness, anxiety, sleeplessness, depression, restlessness, and irritability. They can also include physical symptoms like stomach pain, shakiness, tremors, sweating, fever, chills, and headaches. No one wants this for any of our Montana citizens especially our children.

Montana doesn't need to legalize this addictive drug to be used by any Montanan. It is the opinion of the writers that marijuana is a dangerous Schedule 1 poison that should not be available as a recreational drug to the people of Montana. Vote No on CI-118.

Rejection Committee for CI – 118: Tammy Lacey, Eric Gilbertson, Senator David Howard, Ben Forsyth, Steve Zabawa

BALLOT LANGUAGE FOR LEGISLATIVE REFERENDUM NO. 130 (LR-130)

LEGISLATIVE REFERENDUM NO. 130

AN ACT REFERRED BY THE LEGISLATURE

AN ACT REVISING FIREARMS LAWS TO SECURE THE RIGHT TO KEEP AND BEAR ARMS AND TO PREVENT A PATCHWORK OF RESTRICTIONS BY LOCAL GOVERNMENTS ACROSS THE STATE AND PROVIDING THAT LOCAL GOVERNMENTS MAY NOT REGULATE THE CARRYING OF CONCEALED WEAPONS; PROVIDING THAT THE PROPOSED ACT BE SUBMITTED TO THE QUALIFIED ELECTORS OF MONTANA; AMENDING SECTIONS 7-1-111 AND 45-8-351, MCA; AND PROVIDING AN EFFECTIVE DATE.

The 2019 Legislature submitted this proposal for a vote. LR-130 generally restricts a county, city, town, consolidated local government, or other local government unit's authority to regulate the carrying of firearms. It removes a local government unit's power to regulate the carrying of permitted concealed weapons or to restrict the carrying of unconcealed firearms except in publicly owned and occupied buildings under the local government unit's jurisdiction. It repeals a local government unit's authority to prevent or suppress the possession of firearms by convicted felons, adjudicated mental incompetents, illegal aliens, and minors. Federal and other state firearm restrictions would remain unchanged, including for these individuals. Local firearm ordinances that conflict with LR-130 could not be enforced.

ARGUMENT FOR LEGISLATIVE REFERENDUM NO. 130 (LR-130)

Why You Should Support LR-130

LR-130 (Legislative Referendum # 130) is essential to save our gun rights. The Title for the measure is: **"AN ACT REVISING FIREARMS LAWS TO SECURE THE RIGHT TO KEEP AND BEAR ARMS AND TO PREVENT A PATCHWORK OF RESTRICTIONS BY LOCAL GOVERNMENTS ACROSS THE STATE."**

In the Montana Constitution, the people reserved for themselves the right to keep and bear arms. This was intended to prevent government entities from restricting that liberty. The Montana "preemption law" was enacted by the Legislature to implement our constitutional protection by preventing local governments from enforcing local firearm restrictions.

Some local governments in Montana have exploited alleged loopholes in the preemption law, loopholes that would ultimately allow any and all firearms restrictions imposed by cities and counties in Montana. LR-130 closes those loopholes.

LR-130 was put on the 2020 ballot by a majority vote of the Legislature, to amend Montana laws in order to prevent local governments from exploiting any possible loopholes in existing law that may allow them to enforce local gun control.

As its Title declares, LR-130 is intended to prevent local governments from enforcing a patchwork of anti-gun laws in their local jurisdiction, local laws that would violate the Montana Constitution and be a legal minefield for people traveling around Montana.

Imagine traveling across Montana on I-90 or Highway 2. Imagine being stopped for some minor infraction and learning a firearm in your car is illegal locally, because it has a magazine that holds more than six rounds, because it has a carrying handle, because you don't have proof of ownership with you, because it wasn't registered with local police, or for some other ridiculous reason. Imagine being informed subsequently by the FBI that you have lost your right to keep and bear arms forever under federal law because you have been convicted of what the FBI sees as a local "gun crime."

This is one scenario that LR-130 is intended to prevent.

LR-130 is essential to maintaining the right to keep and bear arms that the people have reserved to themselves from government interference in the Montana Constitution.

ARGUMENT AGAINST LEGISLATIVE REFERENDUM NO. 130 (LR – 130)

DON'T TAKE AWAY OUR FREEDOM TO MAKE LOCAL DECISIONS

LR-130 is:

- Confusing,
- Unnecessary, and
- Unconstitutional.

LR-130 ends more than 130 years of local citizens deciding how to keep their communities safe. LR-130 is a sweeping proposal brought to you by lobbyists and out-of-touch politicians trying to take away your rights and eliminate local decision making in Montana.

This measure is so **confusing** and poorly written that law enforcement, local officials, and legal experts disagree on its meaning, its consequences, and even how it could be enforced. **We should not be passing confusing laws that will very likely be challenged in court** nor creating uncertainty in our schools and public spaces during an already difficult time.

Why change something that's working? Montanans agree that we need to protect our Second Amendment rights, including our right to protect ourselves, and we already have strong laws in Montana to ensure these rights. LR-130 is a reckless attempt to re-write current gun laws and will have serious consequences for our ability to make local decisions.

LR-130 is unnecessary. Montanans know and trust their local school boards, law enforcement, and locally elected officials to keep our communities safe and protect our rights. LR-130 raises questions and confusion and **creates problems rather than solving them**, threatening local decision making in Montana communities.

For these reasons, **LR-130 is opposed by veterans, school boards, nurses, ranchers, doctors, hunters, and local sheriffs and law enforcement** across Montana. Additionally, it is **opposed by the Montana League of Cities and Towns**, representing all 127 incorporated municipalities.

Voting NO on LR-130 recognizes the value of making decisions at the community level. We can't trust overreaching state legislators, politicians, and lobbyists in Helena to decide what's best for us and our local communities. We can protect our second amendment rights and Montana's long history of local decision-making by rejecting this confusing and unnecessary measure.

Vote NO on LR-130 to protect our freedom to make local decisions.

Vote NO on LR-130 to keep our gun laws the way they are.

Vote NO on LR-130.

PROPOSERS REBUTTAL OF ARGUMENT AGAINST LR- 130

Vote Yes on LR-130

Limiting government overreach. LR-130 opponents make a big deal about local control, yet 62% of the funding (as of July 2020) reported by the "NO on LR-130" committee came from New York City and billionaire Michael Bloomberg's Everytown group. How does opponent's reliance on wealthy influence from New York fit with opponents' cry for local control?

The people and the Legislature have always asserted control of local governments. Montana Code Annotated (Montana laws) has 859 pages of fine print that controls what local governments can or cannot do. Otherwise, local governments could recklessly abridge our freedoms. LR-130 is about limiting government and protecting our rights, not about local control.

LR-130 is certainly constitutional. Our U.S. and Montana constitutions both state our right to bare arms shall not be infringed. Protecting a constitutional right cannot be 'unconstitutional.' LR-130 protects our rights. To say otherwise is just wrong.

LR-130 is indeed essential. During legislative hearings on LR-130, opponents gave examples of 15 different local governments that are currently violating the constitutional rights of Montana citizens with local gun control efforts. This local government overreach must be stopped by LR-130.

Rein in illegal gun control by local governments. Improve Montana's gun laws. Prevent a patchwork and legal minefield of local gun control across Montana.

Save your guns. Save your Right to Keep and Bear Arms. Vote YES on LR-130.

OPPOSERS REBUTTAL OF ARGUMENT FOR LR – 130

PROTECT YOUR COMMUNITY'S RIGHT TO DECIDE!

VOTE NO ON LR-130

We need to protect our Second Amendment rights and keep our laws the way they are now. This measure is simply an attempt to take away our freedom to make these decisions at the local level.

Over the past century, Montanans have worked together locally to make sound decisions for our communities. There is no "loophole" that allows local governments to take away rights guaranteed by the Montana and US Constitutions. While fully respecting these rights, for years locally elected officials have made local decisions based on community public health and safety needs and Montana common sense. If those decisions violated the Second Amendment, proponents of LR-130 would have long since challenged them in court on those grounds. But they haven't done that because they know they'd lose.

Proponents ask you to imagine a fanciful scenario in order to justify LR-130, but such a scenario has never happened in Montana. And the FBI cannot deny individuals the right to own guns because they violated local gun ordinances. We already have strong laws in Montana to ensure our rights. Our existing laws work. LR-130 will throw our laws into a state of disarray. LR-130 will result in confusion and unanticipated consequences.

Now is not the time for confusion about our gun laws.

Vote NO on LR-130 to protect our freedom to make local decisions.

Vote NO on LR-130 to keep our gun laws the way they are.

Vote NO on LR-130.

INITIATIVE NO. 190

A LAW PROPOSED BY INITIATIVE PETITION

I-190 legalizes the possession and use of limited amounts of marijuana for adults over the age of 21. I-190 requires the Department of Revenue to license and regulate the cultivation, transportation, and sale of marijuana and marijuana-infused products and to inspect premises where marijuana is cultivated and sold. It requires licensed laboratories to test marijuana and marijuana-infused products for potency and contaminants. I-190 establishes a 20% tax on non-medical marijuana. 10.5% of the tax revenue goes to the state general fund, with the rest dedicated to accounts for conservation programs, substance abuse treatment, veterans' services, healthcare costs, and localities where marijuana is sold. I-190 allows a person currently serving a sentence for an act permitted by I-190 to apply for resentencing or an expungement of the conviction. I-190 prohibits advertising of marijuana and related products.

Marijuana taxes and fees will generate about \$48 million annually by 2025. Marijuana fees will fund program administration and enforcement. Marijuana taxes will contribute to the general fund and special revenue accounts for conservation, veterans' services, substance abuse treatment, healthcare, and local governments. The general fund will net \$4 million.

(1)(a) The department shall implement a system for tracking marijuana, marijuana concentrate, and marijuana-infused products from either the seed or the seedling stage until the marijuana, marijuana concentrate, or marijuana-infused product is sold to a consumer. The system must:

- (i) ensure that the marijuana, marijuana concentrate, or marijuana-infused product cultivated, manufactured, possessed, and sold under [sections 1 through 36] is not sold or otherwise provided to an individual who is under 21 years of age and who is not a medical marijuana registered cardholder; and

- (ii) be made available to adult-use providers, adult-use marijuana-infused products providers, adult-use dispensaries, and testing laboratories at no additional cost.

(2) The department shall assess applications for an adult-use provider or adult-use marijuana-infused products provider license to determine if a person with a financial interest in the applicant meets any of the criteria established in [section 9] for denial of a license.

(3) Before issuing or renewing a license, the department shall inspect the proposed registered premises of an adult-use provider or adult-use marijuana-infused products provider and shall inspect the property to be used to ensure an applicant for licensure or license renewal is in compliance with [sections 1 through 36]. The department may not issue or renew a license if the applicant does not meet the requirements of [sections 1 through 36].

(4)(a) The department shall license providers and marijuana-infused products providers according to a tiered canopy system.

(b)(i) The system shall include, at a minimum, the following license types:

(A) A micro tier canopy license allows for a canopy of up to 250 square feet at one registered premises.

(B) A tier 1 canopy license allows for a canopy of up to 1,000 square feet at one registered premises. A minimum of 500 square feet must be equipped for cultivation.

(C) A tier 2 canopy license allows for a canopy of up to 2,500 square feet at up to two registered premises. A minimum of 1,100 square feet must be equipped for cultivation.

(D) A tier 3 canopy license allows for a canopy of up to 5,000 square feet at up to three registered premises. A minimum of 2,600 square feet must be equipped for cultivation.

(E) A tier 4 canopy license allows for a canopy of up to 7,500 square feet at up to four registered premises. A minimum of 5,100 square feet must be equipped for cultivation.

(F) A tier 5 canopy license allows for a canopy of up to 10,000 square feet at up to five registered premises. A minimum of 7,750 square feet must be equipped for cultivation.

(G) A tier 6 canopy license allows for a canopy of up to 13,000 square feet at up to five registered premises. A minimum of 10,250 square feet must be equipped for cultivation.

(H) A tier 7 canopy license allows for a canopy of up to 15,000 square feet at up to five registered premises. A minimum of 13,250 square feet must be equipped for cultivation.

(I) A tier 8 canopy license allows for a canopy of up to 17,500 square feet at up to five registered premises. A minimum of 15,250 square feet must be equipped for cultivation.

(J) A tier 9 canopy license allows for a canopy of up to 20,000 square feet at up to six registered premises. A minimum of 17,775 square feet must be equipped for cultivation.

(K) A tier 10 canopy license allows for a canopy of up to 30,000 square feet at up to seven registered premises. A minimum of 24,000 square feet must be equipped for cultivation.

(ii) As used in this subsection (4)(b), "equipped for cultivation" means that the space is either ready for cultivation or in use for cultivation.

(c) An adult-use provider or adult-use marijuana-infused products provider who has reached capacity under the existing license may apply to advance to the next licensing tier. The department:

(i) may increase a licensure level by only one tier at a time; and

(ii) shall conduct an inspection of the adult-use provider or adult-use marijuana-infused products provider's registered premises and proposed premises within 30 days of receiving the application and before approving the application.

(d) The department may create additional licensing tiers by rule if a provider with a tier 10 canopy license petitions the department to create a new licensure level and:

(i) the producer or provider demonstrates that the licensee is using the full amount of canopy currently authorized; and

(ii) the tracking system shows the licensee is selling at least 80% of the marijuana or marijuana-infused products produced by the square footage of the licensee's existing license over the 2 previous quarters or the licensee can otherwise demonstrate to the department that there is a market for the marijuana or marijuana-infused products it seeks to produce.

(e) The department is authorized to create additional tiers as necessary, including an adjusted tier system to account for outdoor cultivation.

(f) The registered premises limitations for each tier of licensing apply only to registered premises at which marijuana is cultivated. The limitations do not apply to the number of adult-use dispensaries an adult-use provider or adult-use marijuana-infused products provider may have.

(g) The department shall require evidence that the licensee is able to successfully cultivate the minimum amount of space allowed for the tier and sell the amount of marijuana produced by the minimum cultivation level before allowing a licensee to move up a tier. Annual licensing fees must be prorated based on the time licensed at a specific tier if less than 1 year.

The tax is imposed at a rate of 20% of the retail price.

(2) Adult-use marijuana providers and adult-use marijuana infused-products providers shall submit quarterly reports to the department listing the total dollar amount of sales to consumers from any registered premises, as defined in [section 2], operated by the adult-use marijuana providers or adult-use marijuana infused-products providers, including dispensaries. (5) The tax imposed by this part and related interest and penalties are a personal debt of the person required to file a return from the time that the liability arises, regardless of when the time for payment of the liability occurs.

(6) For the purpose of determining liability for the filing of statements and the payment of taxes, penalties, and interest owed under [sections 28 through 31]:

(a) the officer of a corporation whose responsibility it is to truthfully account for and pay to the state taxes provided for in [sections 28 through 31] and who fails to pay the taxes is liable to the state for the taxes and the penalty and interest due on the amounts;

(b) each officer of the corporation, to the extent that the officer has access to the requisite records, is individually liable along with the corporation for filing statements and for unpaid taxes, penalties, and interest upon a determination that the officer:

(7) In determining which corporate officer is liable, the department is not limited to considering the elements set forth in subsection (6)(a) to establish individual liability and may consider any other available information.

(8) In the case of a bankruptcy, the liability of the individual remains unaffected by the discharge of penalty and interest against the corporation. The individual remains liable for any statements and the amount of taxes, penalties, and interest unpaid by the entity.

(9) The tax levied pursuant to this section is separate from and in addition to any general state and local sales and use taxes that apply to retail sales, which must continue to be collected and distributed as provided by law.

(10) The tax levied under this section must be used, as designated in [section 35], for purposes that provide compensation for the economic and social costs of past and current marijuana cultivation, processing, and use, including funding of conservation programs to offset the use of water and soil in marijuana cultivation, funding to offset costs of provisions of health care associated with prior uses and health impacts of unregulated marijuana, funding for substance abuse treatment and prevention, funding of veterans' programs to offset prior uses of unregulated marijuana in ways that harmed veterans, funding to localities where marijuana is sold to offset the costs associated with marijuana regulation, and funding for the general fund to account for any costs to the state from marijuana use and regulation.

(b) For the purpose of determining compliance with the provisions of this part, the department is authorized to examine or cause to be examined any books, papers, records, or memoranda relevant to making a determination of the amount of tax due, whether the books, papers, records, or memoranda are the property of or in the possession of the person filing the return or another person. In determining compliance,

the department may use statistical sampling and other sampling techniques consistent with generally accepted auditing standards. The department may also:

The notice must contain a statement that if payment is not made, a warrant for distraint may be filed. The adult-use marijuana provider or adult-use marijuana infused-products provider may seek review of the determination pursuant to 15-1-211.

(2) Penalty and interest must be added to a deficiency assessment as provided in 15-1-216. The department may waive any penalty pursuant to 15-1-206.

(3) The amount of tax due under any return may be determined by the department within 5 years after the return was filed, regardless of whether the return was filed on or after the last day prescribed for filing. For purposes of this section, a return due under this part and filed before the last day prescribed by law or rule is considered to be filed on the last day prescribed for filing.

NEW SECTION. Section 30. Procedure to compute tax in absence of statement—estimation of tax—failure to file—penalty and interest. (1) If the adult-use marijuana provider or adult-use marijuana infused-products provider fails to file any return required by [section 28] within the time required, the department may, at any time, audit the adult-use marijuana provider or adult-use marijuana infused-products provider or estimate the taxes due from any information in its possession and, based on the audit or estimate, assess the adult-use marijuana provider or adult-use marijuana infused-products provider for the taxes, penalties, and interest due the state.

(2) The department shall impose penalty and interest as provided in 15-1-216. The department shall mail to the adult-use marijuana provider or adult-use marijuana infused-products provider a notice, pursuant to 15-1-211, of the tax, penalty, and interest proposed to be assessed. (2) In addition to any other remedy, in order to collect delinquent taxes after the time for appeal has expired, the department may direct the offset of tax refunds or other funds due the adult-use marijuana provider or adult-use marijuana infused-products provider from the state, except wages subject to the provisions of 25-13-614 and retirement benefits.

(3) As provided in 15-1-705, the adult-use marijuana provider or adult-use marijuana infused-products provider has the right to a review of the tax liability prior to any offset by the department.

(4) The department may file a claim for state funds on behalf of the adult-use marijuana provider or adult-use marijuana infused-products provider if a claim is required before funds are available for offset.

NEW SECTION. Section 32. Refunds—interest--limitations. (1) A claim for a refund or credit as a result of overpayment of taxes collected under this part must be filed within 5 years of the date that the return was due, without regard to any extension of time for filing.

(b) Except as provided in subsection (2)(c), interest must be paid from the date that the return was due or the date of overpayment, whichever is later. Interest does not accrue during any period in which the processing of a claim is delayed more than 30 days because the taxpayer has not furnished necessary information.

(b) This section may not be construed to prohibit the department from publishing statistics if they are classified in a way that does not disclose the identity of a person making a return or the content of any particular report or return. A person violating the provisions of this section is subject to the penalty provided in 15-30-2618 or 15-31-511 for violating the confidentiality of individual income tax or corporate income tax information.

ARGUMENT FOR BALLOT INITIATIVE NO. 190 (I-190)

I-190 creates a safe, legal, and comprehensive system for the adult use of marijuana in Montana. It will legalize, control, regulate, and tax marijuana, ending the criminalization of responsible adult use. The goal of I-190 is to eliminate the illicit market, reduce crime, create jobs, and raise tax revenue. According to the independent analysis conducted by the Governor's Office of Budget and Programming, I-190 will generate nearly \$48 million annually in brand new revenue for Montana by 2025.

I-190 is designed specifically for the State of Montana to work for Montanans.

I-190 PROTECTS CHILDREN: I-190 includes strong protections for children. It restricts use of marijuana by those under age 21. Marijuana will only be sold in regulated, licensed businesses that check I.D. before every single sale.

I-190 PROTECTS HEALTH: I-190 establishes a comprehensive regulatory system that requires independent lab testing and clear labelling of products. When marijuana is sold on the illicit market it can be contaminated with chemicals or laced with other drugs. I-190 will ensure that consumers know what they are buying and consuming and that products are safe.

I-190 CREATES JOBS: I-190 will create new industry and new jobs for Montanans who need work. Medical marijuana alone created an estimated 1,800 new jobs. I-190 could double or triple this number.

I-190 CREATES NEW REVENUE: I-190 will generate nearly \$48 million annually in new tax revenue and licensing fees by 2025, creating a new revenue stream for conservation, veterans' services, substance abuse treatment, healthcare, and local governments.

I-190 SAVES LIMITED LAW ENFORCEMENT RESOURCES: An enormous amount of law enforcement resources is currently wasted on enforcing low level marijuana laws against law abiding Montanans. I-190 will stop this. By reducing prosecutions and arrests for marijuana-related offenses, local and state governments will save money and be able to direct resources to more important tasks.

I-190 PROTECTS PATIENTS: I-190 protects medical marijuana patients and their access to medicine. The new tax established by I-190 only applies to non-medical marijuana sales.

I-190 HELPS VETERANS: Many veterans need marijuana as an alternative to opioids to treat PTSD and pain but are unable to access it through Montana's medical marijuana system because of federal restrictions placed on VA doctors. I-190 will increase access to marijuana for patients who are veterans. And I-190 raises millions of dollars in revenue annually for veterans' services.

I-190 REBUILDS LIVES: Montana's current marijuana laws can ruin a person's life. One youthful mistake for minor conduct can result in a criminal record preventing someone from going to school or getting a job. I-190 will stop saddling Montanans with unfair criminal records and restore lives by allowing those with prior non-violent marijuana convictions to request resentencing or expungement from the court.

Montana's current approach to marijuana just doesn't make sense. It's time to put an end to our broken system and implement proven reforms so marijuana will be safe, legal, controlled, and taxed.

ARGUMENT AGAINST BALLOT INITIATIVE NO. 190 (I-190)

Marijuana is a dangerous drug. Marijuana and heroin are "Schedule1" drugs, while cocaine and crystal meth are "Schedule2" drugs. "Schedule1" drugs are defined as **drugs with no accepted medical use and a high potential for abuse** (<https://www.dea.gov/drug-scheduling>). Legalization of marijuana in Montana is illegal under federal law, Title 21, Section 811 of the United States Code (U.S.C.). If this dangerous "Schedule1" drug is legalized it will have numerous damaging effects on Montana's citizens, economy, public safety, and overall welfare Montana believes strongly in preserving the freedoms granted its citizens; but legalization of marijuana will cause significantly more harm than any freedom granted through marijuana legalization.

Harm to Montana's Citizens

Effects of recreational legalization in other states are a logical predictor of effects Montana may experience. After legalization in Colorado, emergency room visits as a result of marijuana use increased nearly 30% and hospitalizations due to marijuana use increased 200%. In addition to respiratory, psychiatric, and overdose cases, hospitals also saw an increase in pediatric patients with issues related to marijuana. Poison-control marijuana cases for children nine and under increased more than 500% in Colorado after legalization.

In addition to the accidental deaths and overdoses of children, marijuana is detrimental to the health of adult users. Research shows marijuana use may increase the risk of developing mental health issues such as schizophrenia, depression, and other psychiatric disorders. Detrimental health effects are not limited to the end user as second-hand marijuana smoke also has ill effects.

Harm to Montana's Economy

Proponents will argue that marijuana legalization will increase the state's tax base. Societal costs of marijuana legalization will far outweigh any increase in tax revenue. Proponents don't recognize the increased costs for hospital visits, addiction treatment, treatment for victims of drugged driving, and increased criminal activity. The economic vitality of Montana would also be negatively impacted due to workforce accidents, injuries, absenteeism and disciplinary problems related to employees using marijuana.

Harm to Montana's Public Safety

Legalizing marijuana doesn't eliminate marijuana that's sold illegally. In Oregon, only 18-30% of marijuana is sold legally; the rest is distributed through black-market drug dealers. Colorado's marijuana-related crime offenses increased since legalization. Additionally, marijuana-related traffic deaths increased more than 60% after Colorado's legalization.

Harm to Montana's Welfare

Montana believes strongly in protecting its vulnerable citizens, most significantly its children. Legalization of marijuana is big business and marijuana products marketed for consumption are subliminally, if not overtly, targeted to appeal to children. Products such as marijuana infused soda, gummy bears, and candy-bars appeal to children who associate those products as treats.

Montana has long been identified as the "Last Best Place," and people considering visiting Montana do so primarily to experience its scenic vistas, outdoor opportunities, and its amazing "Big Sky." Legalization will tarnish that image, just as it has in other states such as Colorado which was once known for its scenic beauty, instead of as a destination for marijuana.

Please continue to preserve Montana's identity, citizens, economy, and public safety by VOTING NO ON BALLOT INITIATIVE I-190.

PROPOSERS REBUTTAL OF ARGUMENT AGAINST I – 190

Montanans take their freedoms and liberties seriously. Adults over the age of 21 can make responsible decisions for themselves without the government interfering in their lives. Other states that have legalized and regulated adult use marijuana have seen many benefits, including saving law enforcement resources, creating jobs, and raising tax revenue. Tax dollars in other states fund programs that benefit their citizens. Marijuana tax dollars generated by I-190 will be beneficial for Montana.

I-190 will regulate and control marijuana without the needless incarcerations that have ruined lives and prevented individuals from being productive members of society. Law enforcement resources currently wasted on these senseless arrests can be directed to prevent more serious crime.

I-190 takes measures to make sure marijuana is kept out of the hands of children and young adults. Legalizing and regulating marijuana in other states did not increase use by children. I-190 restricts marketing and advertising, prohibits all access by children, and has built in safe guards to ensure public safety.

I-190 is a carefully crafted, cautious, responsible approach to legalizing and regulating marijuana. It is time for Montana to allow legal access to safe and regulated products by adults 21 and older, to reap the benefits from marijuana tax dollars, and to more responsibly spend its law enforcement resources.

Approval Committee for I-190: Sherine D. Blackford, Ted Dick, Dave Lewis

OPPONENTS REBUTTAL OF ARGUMENT FOR I – 190

There is nothing protective, productive, healthy, or safe about legalizing recreational marijuana.

Recreational marijuana doesn't PROTECT anything. After legalization in Colorado, all age brackets doubled their usage of marijuana. At the same time, car accidents, accidental deaths, hospitalizations, and pediatric overdoses all increased. Lives and property were destroyed not protected.

Recreational marijuana isn't PRODUCTIVE. The THC high actually lowers initiative and common sense. Montana employers drug test their current and future employees. Users will suffer from being unemployable. Businesses will suffer from a depleted workforce. Montanans will suffer from impaired workers. Montana's economy will be hampered not enhanced.

Recreational marijuana isn't HEALTHY. Marijuana is categorized as a Schedule 1 Drug. The FDA report smoking is dangerous to our lungs. Recreational marijuana contributes to psychiatric issues (depression and schizophrenia) and a dependency on the THC high. Recreational marijuana users are 300% more likely to use meth, opioids, cocaine and heroin. Why increase a problem that already exists? Medical marijuana is already allowed through a medical doctor in Montana for those requiring compassionate usage. Montanans should discuss their need for marijuana with their medical doctor not with marijuana dispensary employees.

Recreational marijuana does not make Montana SAFER. The use of illegal drugs will grow and crime will increase. Our roads and places of work will be impacted. Our already scarce addiction treatment centers will be overrun. Our law enforcement resources will be of greater need, not less.

To truly preserve and protect a productive, healthy and safe Montana, vote NO on I-190.
