

FAQs

Q. What is the VIP?

A. The Secretary of State's (SOS) office is required by law to produce a pamphlet that contains all proposed ballot issues/initiatives that will appear on the ballot for the Federal General Election in November every even year.

Q. What is a proposed ballot issue/initiative?

A. A ballot issue/initiative is a proposed law or constitutional change in the state of Montana. They can be proposed by the State Legislative Session or submitted by citizens. If a proposed ballot issue/initiative is submitted by citizens, there is an extensive review that takes place to ensure the proposal is legally sufficient, and there must be a minimum number of petition signatures gathered from registered voters to qualify for the ballot.

Q. What information is included in the VIP?

A. All proposed ballot issues/initiatives by Legislative Session or citizens that meet the signature requirements as mentioned above to qualify for ballot. The SOS also includes helpful voter information.

Q. Who receives the VIP?

A. SOS sends a pamphlet to each household for registered voters with the same last name.

Q. Can I find candidate information in the VIP so I can decide who I want to vote for?

A. No, the SOS office does not provide any candidate information in the VIP. The only information contained by law in the VIP is proposed ballot issues/initiatives that change Montana law by a majority vote.

Q. If the VIP does not contain candidate information, where can I find information, so I know who I want to vote for?

A. The SOS Elections and Voters Services Division is non-partisan and neutral on all candidate and proposed ballot issues/initiatives. We do not provide candidate information, other than basic contact information for candidates who have filed to run for office and will appear on the ballot. The same applies for the proposed ballot issues/initiatives - however, Montana law states our office must provide a VIP to each household with the proposed law changes and arguments for and against the proposed ballot issues/initiatives. Most candidates send flyers in
