

# Administrative Rules Website

## How To Troubleshoot Viewing Administrative Rules (Chrome and Microsoft Edge)

### Steps to resolve being unable to view administrative rules (CHROME):

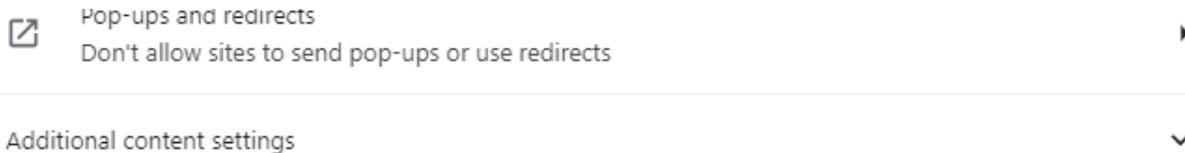

#### Step 1:

- Open Chrome
- Click the three-dot menu icon in right hand corner
- Select settings
- Navigate to Privacy and Security

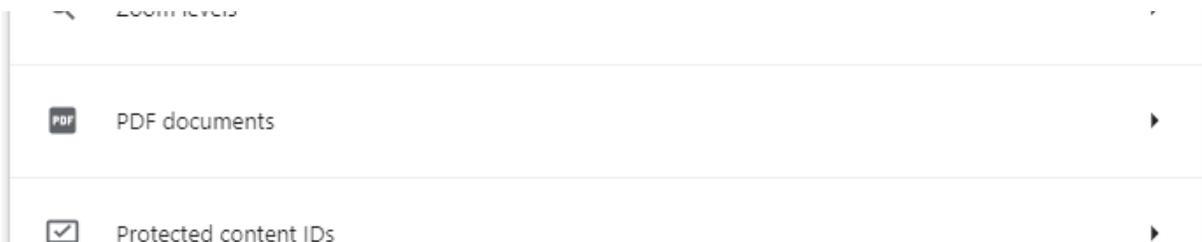

#### Step 2:

- Scroll down to bottom and click on “Additional content settings”

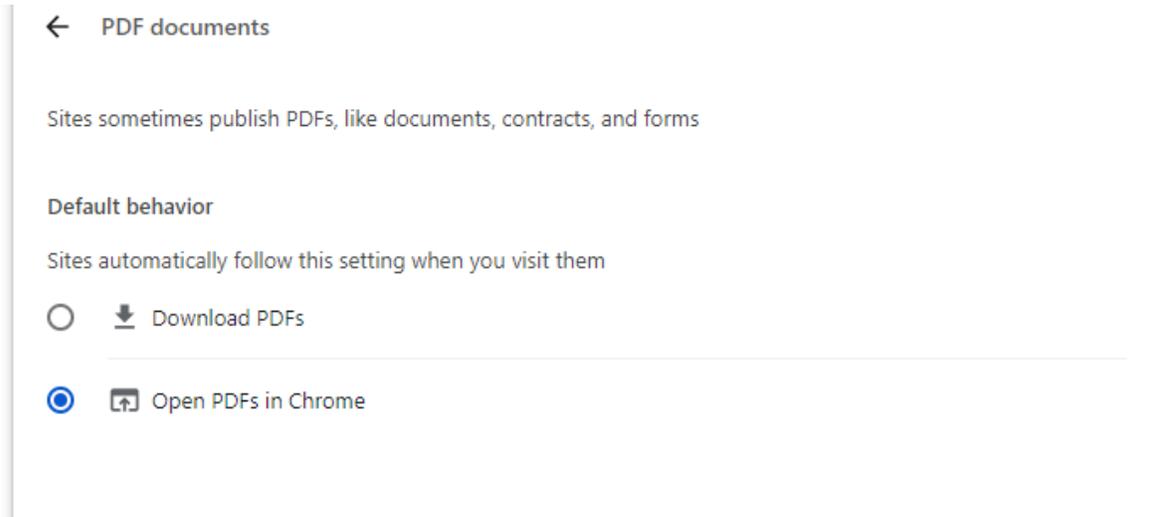

#### Step 3:

- Scroll to “PDF documents”

#### Step 4:

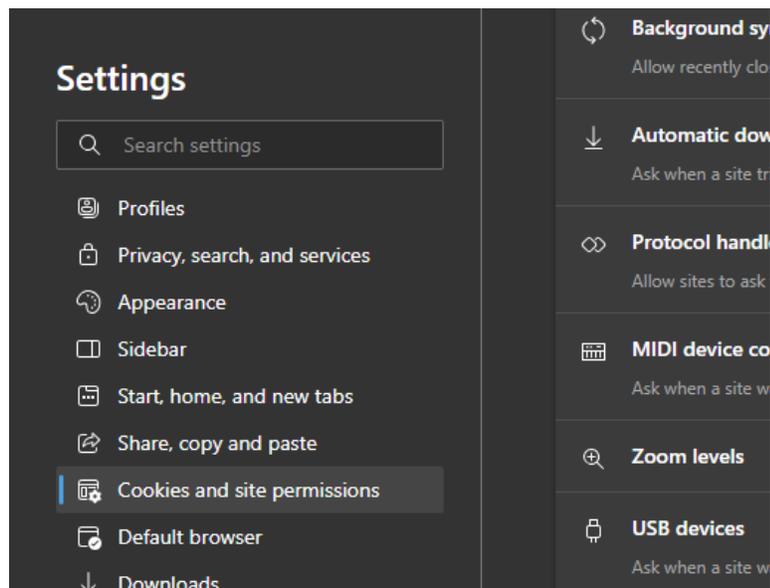

- Select Open PDF's on Chrome option
- Refresh ARM Website

#### Steps to resolve being unable to view administrative rules (MICROSOFT EDGE):

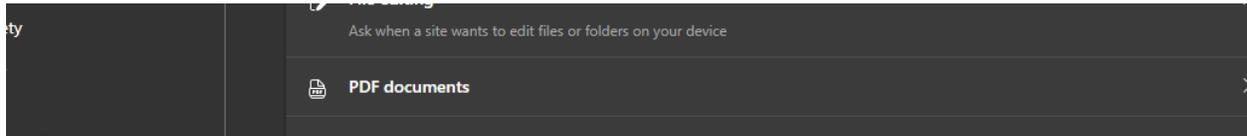

##### Step 1:

- Open MS Edge
- Click the three-dot menu icon in right hand corner
- Select settings
- Navigate to Cookies and Site Permissions

## Step 2:

- Scroll down and select PDF documents

## Step 3:

- Make sure the “Always download PDF files” setting is toggled to off
- Refresh the Administrative Rules website
