

Signature Gathering Requirements for Statewide Ballot Issues - 2026

*The required signatures are the total votes cast from the last gubernatorial election (602,404) multiplied by the applicable percentage requirement (5%, 10%, or 15%).
Due to rounding of fractions, the sum of percent totals may not equal the number of votes cast for Governor.*

Total Signatures Required

	Gov. Race Total Votes Cast	5% of Votes Cast	10% of Votes Cast	15% of Votes Cast
	602,404	30,121	60,241	90,361

Required Signatures per House District
